*Aggravated assault stemmed from domestic violence incident on Fourth St.*

ARKANSAS CITY, Kan. (September 17, 2015) — The Arkansas City Police Department arrested an Arkansas City woman last Friday on two assault charges after an incident of domestic violence.

Annie Belle Chapman, 43, was arrested on suspicion of aggravated assault and assault.

She was transported to and booked into the Cowley County Jail, where she remained Thursday morning in lieu of \$10,200 bond through Cowley County District Court in Arkansas City.

Police were dispatched to the 1300 block of North Fourth Street for a report of domestic violence that had led to an assault. Two other occupants of the house had called to report the incident.

Chapman was arrested at the scene and transported to the Arkansas City Police Department. She later was transferred to the county jail.

A defendant's guilt or innocence is to be determined by a court of law.
