## Derby man arrested March 29 on suspicion of DUI, drug charges

*Skylar Milner, 29, also accused of no proof of insurance after accident*

ARKANSAS CITY, Kan. (March 31, 2021) — The Arkansas City Police Department arrested a Derby man on suspicion of driving under the influence after he wrecked his vehicle early on March 29.

Skylar Alan Milner, 29, was arrested on suspicion of misdemeanor driving under the influence (second offense). He was transported to and booked into the Cowley County Jail in Winfield in lieu of \$1,250 bond through Arkansas City Municipal Court.

Milner since has posted bond and been released. He also was cited for no proof of insurance, possession of drug paraphernalia and possession of marijuana through Arkansas City Municipal Court.

Officers were dispatched at 2:32 a.m. March 29 to the U.S. 77-U.S. 166 roundabout in the 1200 block of East Kansas Avenue for a report of a one-person injury accident.

Evidence at the scene indicated the vehicle, which was being driven by Milner, was northbound on U.S. 77 when it entered the south access point and went over the curb through the roundabout.

The vehicle, which ended up completely disabled and blocking the northbound access lane, contained numerous illegal substances and items associated with their use. The vehicle was searched.

Milner displayed signs of impairment and police administered field sobriety tests to him.

He subsequently was taken into custody after being treated for minor injuries by the Arkansas City Fire-EMS Department, but declining medical transport to South Central Kansas Medical Center.

The vehicle was searched, and police found items suspected to be illegal substances and items associated with drug sales in the vehicle, which was later impounded and towed away from the scene.

A defendant's guilt or innocence is to be determined by a court of law.
